**RE: ChemRAWN XIV-GCI Developing and Emerging Nations Grant Program**

Dear Dr. Keith:

Congratulations on your selection as a recipient of a 2007 ChemRAWN XIV-GCI Developing and Emerging Nations grant. We are able to offer you \$4,700.00 for your project, Implementing Green Analytical Methodology in Developing / Emerging Nations.

ACS GCI is happy to provide any needed assistance in building collaborations with Green Chemistry Institute International Chapters to ensure the success of your project.

Please review the attached terms and conditions and return the signed grant agreement to receive the funds.

Should you have any questions or concerns, please do not hesitate to contact the ACS Green Chemistry Institute. We look forward to hearing from you soon.

Sincerely,

A handwritten signature in black ink that reads 'Tamara Nameroff'.

Tamara Nameroff, Ph.D.  
Acting Director

Grant Title: Implementing Green Analytical Methodology in Developing / Emerging Nations

Amount of funding: \$4,700.00

The information furnished herein will be used as evidence of a formal grant agreement between the American Chemical Society Green Chemistry Institute (ACS GCI) and the recipient grant institution. It must be approved by an appropriate officer of the institution receiving funds from ACS GCI.

Principal Investigator: \_\_\_\_\_

Co-Principal Investigator: \_\_\_\_\_

Legal Name of Institution: \_\_\_\_\_

The above-described grant-in-aid is to be made available to the grantee institution upon the following terms and conditions.

#### **Payment Schedule**

For your convenience and security, we are offering two methods of delivery of grant funds – a paper check in US dollars delivered by FedEx or similar courier requiring signature of receipt, or a wire transfer in US dollars to an organization or project's bank account that you specify. We are unable to forward the funds to a personal bank account. We will not reimburse any charges related to cashing the check or receiving the wire transfer. Please respond with your mailing address and account information as soon as possible, understanding that fax transmission provides much greater security than email.

#### **Reporting Requirements**

Awardees must use awarded funds within one calendar year of receipt. Under extraordinary circumstances, no-cost extensions may be granted. Awardees are required to submit a one page report at six (6) months and a full report, not to exceed ten pages, at the completion of the project, describing what the funds were used for and the positive impact they had on your ability to achieve your objectives.

Each publication or presentation prepared in connection with the grant shall make acknowledgement in the following manner: "This project is funded in part by a grant from the ChemRAWN XIV- ACS Green Chemistry Institute International Green Chemistry Grants Program."

#### **Unanticipated Termination of Project**

In the event the principal investigator is unable for any reason to conduct the proposed project, the funds shall, upon demand, be returned in full to the ACS GCI, and further, that in the event the PI is unable for any reason to continue with the project after it has commenced, this grant shall be terminated forthwith and the unexpended and unencumbered balance of any funds theretofore advanced shall be returned to the ACS GCI.
